Dear Mr Hodgkinson,

The notice was posted on the 29th November and the date for comments to be submitted by was then extended until the 20th December. We are required by planning law to give the public 21 days to comment on planning applications and we have allowed this by extending the deadline until the 20th December.

Kind Regards

Dear Mr Davis

I write with respect to this application dated 16/11/2018 and draw your attention to the fact that the posted notification of this planning application did not appear until Thursday 29th November. This despite the fact that i phoned your office and enquired why the notice had not been posted in a timely fashion on the 22nd November or thereabouts.

This puts those of us who wish to comment on this application at a disadvantage and the applicant at an advantage. I am asking therefore that the time for comments be increased by 14 days.

Yours sincerely

Peter Hodgkinson
