Dear Phoebe,

Thank you for bringing this to our attention. The FRA was uploaded in error but we do not currently have a correct FRA. This application has now been put on hold until a correct FRA has been provided. We will issue you with a new consultation request when this is received.

Kind Regards

Good morning,

Thank you for consulting us on this application.

It appears that the wrong Flood Risk Assessment has been uploaded for this application, the one online is for the University of Chichester Bognor Campus.

Please could you let us know when the correct FRA has been uploaded?

Kind regards,

Phoebe Nelson
