Dear Simon,

I have spoken to my Team Leader and we can accept the revisions provided that you can agree to an Extension of Time which will take in the July DC Committee Meeting. This will allow us to properly advertise & consider the amended scheme, work through any changes with you, take the application to Committee and allow time for the signing of the Section 106 Agreement. Therefore, please indicate your agreement to an EoT until 31/07/20.

Kind Regards

Hi Simon, thank you for your email and request for an extension of time, as you will have seen my client wishes to amend his current application based on your decision to refuse the current application.

This may affect your report but my client is willing to agree the extension based on the current scheme.

I hope you are well and look forward to hearing from you soon.

Dear Simon

I hope you are well. Please find attached further Highways comments FYI. I am proposing to start my report (for refusal) towards the end of next week. Would your client be willing to agree to an Extension of Time until 17th April in order that we can determine this in an agreed timescale?

Kind Regards
