CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

The height of the tree after a 30% reduction will be 9.1m and the width will be the same, as the measurements of spread and height are the same.

I hope this information will help to move this application forward.

Regards
Sue O'Boyle
