Subject: Change to Description of Proposed Development on application form:
BR/283/19/OUT

Dear Mrs. Grieves,

As hopefully the above application should soon be able to be validated, further to the Article 12 Notice (copied to you);

please change the Description of the Proposal in Section 3 of the Application Form to read:

"Erection of small dwelling following demolition of garaging and workshop".

This better reflects the development proposed.

(The work remains not already started, as stated in that Section of the Form.)

Thank you for your assistance in this matter.

Sincerely,
Henry
