Hi James,

Sorry I was tied up with differing works and adaptations all yesterday and thought I might have to drive over hard copies today.

But I've found how to convert jpg files to PDFs, which seems to have succeeded. Simple once one knows how.

If not, do let me know and I will deliver hard copies of the three drawings.

What little time I did have for lunch yesterday was spent writing what I was due to say at Monday morning's Town Council meeting, so the committee clerk could circulate it to committee members. This is because the town council is not meeting at all due to Covid-19, but is due to decide remotely instead; I think to the same time frame and based on the first few responding councillors.

As the new information may not be visible on the web, thanks to your alert; I asked Jo to circulate the three drawings, sent to you and copied to her, to committee members.

Sincerely,
Henry

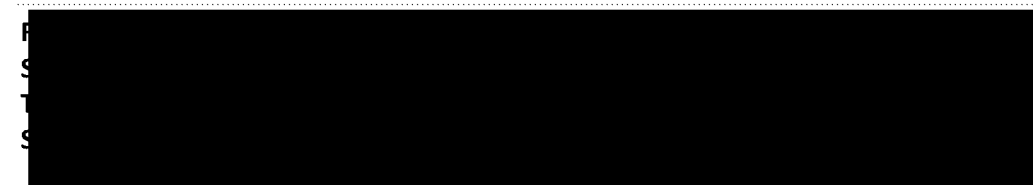

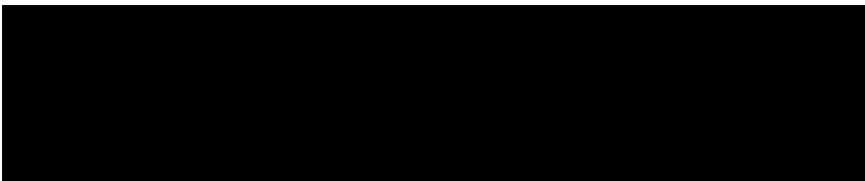

Hi Henry,

I've received the below from our admin team who have tried uploading the additional plans onto the public website:

If so, please can you get the agent to re-send the plans as pdf's as I you can't upload sub-plans as jpg files?

Could you re-send them across as PDF's please?

Kindest regards,

Hi James,

Thank you for letting me know.

I've heard from the Town Council's Committee clerk that it will hold an extra meeting at 9.30am on Monday, with the application the only item on their agenda; which is encouraging. I expect to attend as I'm in Bognor.

Sincerely,
Henry

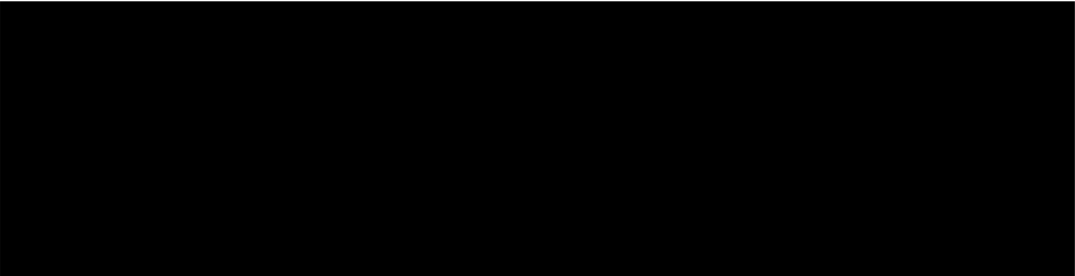

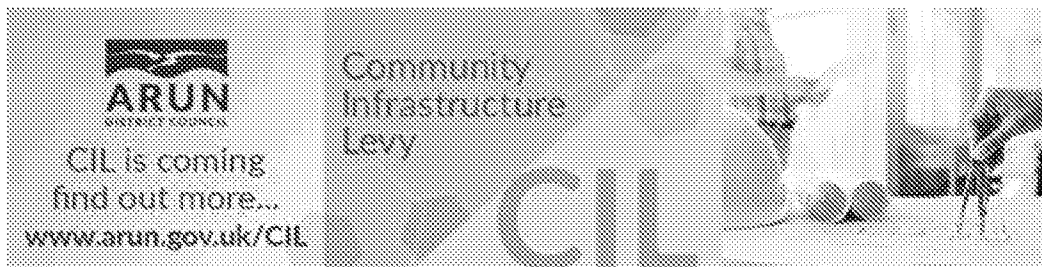

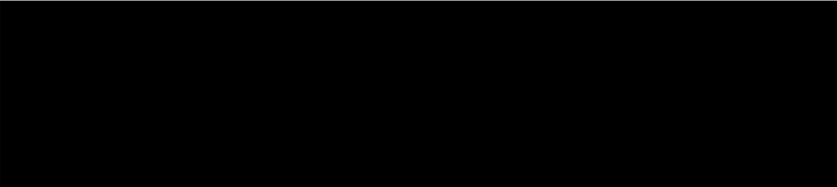

Hi Henry,

Just to let you know that I've received correspondence from the Town Council stating that they will be meeting early next week to give further consideration o the above application; following the receipt of the additional information yesterday.

I will hopefully have additional comments from them around the early Wednesday mark and will be able to let you know how the application will proceed upon this time.

I trust the contents of the above application is clear and please do not hesitate to contact me on this email address should you require any further information.

Kindest regards,

Dear Planning Responses,

Following discussions with Daniel Vick last Thursday (to whom I am copying this along with James Cross and the Town Council), please find herewith revised and additional material as requested:

- a revised Planning Statement
- a revised Block and Site plan
- two illustrative drawings showing alternative built form and massing, A and B.

I'm sure the planning officers will be in touch once they have viewed the attachments.

Please add these to the application file records.

With thanks,

Henry
