App No: BR/285/21/PL
Address: Rear of 73-75 Aldwick Road Bognor Regis PO21 2NW
Proposal: Change of use from Class E (retail) / B8 storage to C3 residential and the creation of three dwelling units through the conversion of the rear of nos. 73 & 75 and the erection of a part single storey / part two storey rear extension with associated amenity space and refuse / recycling stores.

Ecology

No protected species surveys have been undertaken on the site so we are unable to establish if protected species are present. Prior to determination we require that an extended phase one habitat survey is undertaken on the site to determine if there is potential for protected species. If there is potential for protected species then further surveys would be required. These surveys plus any mitigation strategies required will need to be submitted as part of the planning application prior to determination.

Biodiversity Net Gain

In line with Policy ENV DM5 of the Arun District Local Plan information on Biodiversity Net Gain needs to be provided as part of the planning application prior to determination. Examples of what we would be expecting to see include;

- Any trees removed should be replaced at a ratio of 2:1
- Wildflower meadow planting used
- Filling any gaps in tree lines or hedgerows with native species
- Bat bricks / tiles are integrated into the buildings onsite facing south/south westerly positioned 3-5m above ground.
- Bird box to be installed on the buildings / and or tree within the garden of the property.
- Grassland areas managed to benefit reptiles.
- Log piles onsite
- We require that gaps are included at the bottom of the fences to allow movement of small mammals across the site
- two hedgehog nesting boxes included on the site

Kind Regards

Liz

This application has been identified as CIL Liable. Therefore please be aware that, in accordance with Appendix 2 of the Arun CIL Charging Schedule, your consultation response should only include requests for Section 106 for on site mitigation, Pagham Harbour Management Contributions (if applicable) or Affordable Housing. "Off" Site mitigation measures directly related to this development should be dealt with by condition if possible to ensure the scaling back of Section 106 if possible. CIL contributions will be used for "off" site infrastructure mitigation schemes. Therefore if this proposal triggers the need for "off" site mitigation, please ensure that you engage in the CIL Infrastructure List Consultation process upon receipt of a consultation letter.

Should you have any comments to make, these should be sent by replying to this email by 24th February 2022 . You can also monitor the progress of this application through the Council web site:
