Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/285/21/PL
Site Address: Rear of 73-75 Aldwick Road Bognor Regis PO21 2NW
Description of works: Change of use from Class E (retail) / B8 storage to C3 residential and the creation of three dwelling units through the conversion of the rear of nos. 73 & 75 and the erection of a part single storey / part two storey rear extension with associated amenity space and refuse / recycling stores.

Thank you for your internet representation made on 26th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44671

This is overdevelopment of the site. There is no parking allocated. The requested two storey building will be invasive and overlook my property invading my privacy. The over-development of this is also a fire hazard as the only access would be an alleyway. I also believe that in my deeds no development should be build within 6ft of my boundary and looking at the plans this encroached this.

The only yellow signage for development in my vicinity was for a planning application in Felpham, I was informed about this planning application by a friend who was aware that I had objected previously

Your views as made above will be considered before the application is determined.
