Dear Cllr Bennett,

Could you please take this email as a request from a Ward Councillor to refer the planning application BR/286/20/HH to the Development Control Committee. Please inform me if this request is sufficient or whether I need make an objection on the planning portal. I have received representations regarding concerns about the development due to potential of loss of daylight and the overbearing impact the proposals will have on the neighbouring property.

Kindest regards

Cllr Matt Stanley - Marine Ward
