Jack,

Finally had response from EH of 'no comment' which means no objection. Sorry about the delay with getting response from that department.

Would you be able to agree and extension of time until 23rd March 2018 for me to prepare the report and pass to my team leader?

The decision will be made as a delegated approval with conditions. The report is likely to be signed off this week.

Regards,

Still awaiting comments from Environmental Health I've chased twice so will chase again. I apologise for this, I think they have a severe staff shortage.

Greengates is not being handled by me, it is a compliance case and I have requested the compliance officer update you.

Dear Mr Dowling,

Further to Mr Wood's email (which I append below), we are still awaiting comment from our Environmental Health (EH) Team regarding potential noise and disturbance from the development.

Should there be no objection from EH, we are likely to recommend delegated conditional approval.
