Dear Trish,

Thanks I have received your drawings and will now forward them onto our Engineers for comment. I am sorry but I have had to spend the last 3 days pretty much solely concentrating on a Committee report for 70 dwellings hence why I have not been in contact earlier.

I may be able to issue the other condition approvals before the office closes on Friday but you are one of a number of applications due for decision and so I cannot guarantee this. If not then it will be done in January.

Kind Regards

Hi Simon

Did you get my drawings for the drainage conditions?

I havent heard anything back for conditions 7,8,9,&11. Are they dealt with in a specific order?

Kind regards,
Trish Paul.
