Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/292/20/PL
Site Address: Butlins Upper Bognor Road Bognor Regis PO21 1JJ
Description of works: Erection of temporary buildings to accommodate performance stage and seating for a period of up to 3 years. This site is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 28th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32458

I would like to object to the proposal. I live about a mile away at present and can hear the noise at the weekends when there are bands and Discos. I can only assume that this will be much louder despite the fencing and direction of the stage. We all are aware that sound travels depending primarily on wind direction. (Wind affects the propagation of sound by refracting its waves). Therefore unless it is enclosed with a roof, and despite the fencing, the sound will travel upwards and travel further. I think it is unfair on our village to be subjected to night after night of noise pollution.

Many thanks
