Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/292/20/PL
Site Address: Butlins Upper Bognor Road Bognor Regis PO21 1JJ
Description of works: Erection of temporary buildings to accommodate performance stage and seating for a period of up to 3 years. This site is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 8th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32720

We object to this application. Last year a temporary stage was put up and live music played throughout the week during the summer. Every night we could hear live music through our double glazed windows.. which were shut because of the loud music. On adult weekends we can hear the music from the clubs but accept this and it's only weekends and not every weekend so bearable but to ask residents in the area to be subjected to live music every night is unacceptable. Our children found it hard to sleep and with having to have the windows closed on a hot summers night is unfair.

I appreciate that butlins brings money to the town, we can hear the funfair and people laughing and having fun from our garden which we love to hear, especially during these times but living next to a 'temporary building' with live music will ruin our lives, not to mention drop our house value if this goes ahead.

Butlins used to liaise with the local residents and involve them in updates, but this application has been done while residents are in lockdown with other thoughts on their minds, I believe you're not accepting written objections which discriminated against those who do not use the internet, preventing them from making an objection, perhaps the older generation which makes up most of aruns population, especially around the coastal area and who will be most effected and therefor the results may not be true and fair.

There needs to be more consideration for your local residents and not to prop up butlins purses.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the

website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
