Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/292/20/PL
Site Address: Butlins Upper Bognor Road Bognor Regis PO21 1JJ
Description of works: Erection of temporary buildings to accommodate performance stage and seating for a period of up to 3 years. This site is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 10th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32736

I wish to object to these proposals. Whilst I have no objection to people enjoying themselves at Butlins and bearing in mind local employment and possible economic benefits, we grin and bear the past irritations, namely, Firework displays and numerous other gatherings with associated noise pollution. However, we have reached a point of not wanting an escalation, as I feel that we have been more than neighbourly with regards Butlins. Specifically, noise pollution, depending on prevailing wind directions is such that it either sounds like an early cacophony or conversely as if the noise was emanating from your neighbour's garden. The issue of closing or finishing time is obviously a matter for Butlins having due regards to my and other Felpham residence and positively dealing with our concerns. With regards traffic movements, we are already inconvenienced by the volume of traffic entering and leaving Butlins blocking the roundabout outside of the Main Gates. I am not familiar with the projected traffic movements relating to these proposals, but would not want for matters to be worsened.

Your views as made above will be considered before the application is determined.
