Subject: BR/238/22/PL - NHS Comments

Dear Adrian,

Please see attached consultation response from the NHS received this week requesting a contribution of £45,730 which will be used towards Bognor Medical Centre and GP practices. This request applies equally to BR/238/22/PL and to the appeal of BR/294/21/PL.

I acknowledge that I stated in an email to you dated 03/10/22 that *"I would suggest the inclusion of the reference to medical contributions is an error as we don't have a consultation response from the NHS. In fact we didn't consult them but in my experience, even when we do consult them, they don't respond. However, Maria will need to formally withdraw this part of the refusal reason in her statement."*

I was partially incorrect with that statement as they were consulted on BR/294/21/PL and I missed this. Whilst it is true that they did not respond during the application, it has recently transpired that this was due to our contact at NHS changing email addresses and so not receiving any consultation requests. As the refusal reason on BR/294/21/PL refers to medical infrastructure and as we now have these comments, you will now need to include this in your unilateral as Maria will need to refer to this in her appeal statement. Furthermore, this also now needs to be included in the agreement that is being drafted for BR/238/22/PL.

I am sorry to do this at this late stage but we can't ignore this request.

I have copied in your solicitor and also alerted ours.

Kind Regards
