Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/29/22/PL
Site Address: Selwood Lodge 93 Victoria Drive Bognor Regis PO21 2DZ
Description of works: Change of use from C1 Guest House to a 16 bed House in Multiple Occupation (Sui Generis) including first floor extension, demolition of existing detached garage and external alterations.

Thank you for your internet representation made on 16th March 2022 which has been recorded as an objection with the comments as follows:

OWQC45256

OBJECTION Firstly, Members object to the principle of losing visitor accommodation at a time when the Town is trying to regenerate as a seaside tourist resort. Members feel that the application goes against the Neighbourhood Plan, namely: - Policy 7 - Promotion of Tourism and Beach Service Points. The NP recognises the crucial importance of the tourism industry for the Bognor Regis economy. Development of new and existing tourist facilities will be supported as a crucial part of improving Bognor Regis as a visitor destination. Page 14 paragraph 3, highlights that beyond Butlin's overnight visitors and would be visitors have a limited range of accommodation options to choose from particularly in terms of medium to higher end seafront hotels, B&Bs and Guest houses.

Secondly, Members object to yet another application for an HMO in the Town. Due to a proliferation of smaller household typologies (and commensurate increase in population density) demand for parking has increased considerably which has led to amenity issues deriving from parking demands. Such amenity issues have involved anti-social blocking of driveways and overspill parking on roads which have prevented emergency service vehicles from using nearby streets. The lack of parking provision in the application is of particular disappointment since the site has ample space currently available to accommodate some off-road parking.

Finally, allowing for the proposed change of use of building from C1 Guest House to a 16 bed House in Multiple Occupation (Sui Generis) would result in an intensification of use that adversely affects the character of the area which would affect public and neighbouring amenities, would result in the generation of excessive

parking demands which would harm nearby public amenity; contrary to Policies H SP4 and QE SP1 of the Arun Local Plan.

Your views as made above will be considered before the application is determined.
