Attachments: IMP5932 -1 Noise Impact Assessment.pdf

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Good evening,

I have received EH comments (uploaded on our website as well).

Please see below and check by yourself.

Noise

No information has been provided assessing the potential noise impact from road traffic or nearby adjacent commercial uses including deliveries and plant / equipment.

I therefore recommend that in order for this section to make an informed comment the applicant should be requested to provide further information assessing the noise impact of the external noise sources on the proposed residential accommodation. The report should include, if appropriate, measures to be taken to mitigate excess noise impact.

The report should be prepared by a person with appropriate acoustic qualifications and should be with full regard to all relevant guidance including BS8233:2014 - Guidance on Sound Insulation and Noise Reduction for Buildings and BS4142:2014 Methods for rating and assessing industrial and commercial sound.

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adopted Arun Local Plan 2011 – 2031

Kind regards

Maria
