

Please see Action Sheet

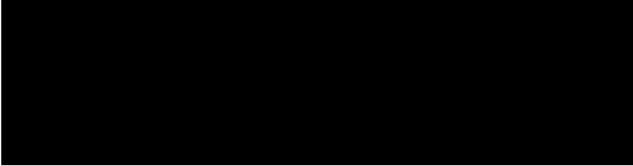

Dear Simon

Sorry about that, an oversight on my part. I hope the attached meets with your requirements.

Kind regards

Trish

Dear Trish,

Thank you for that confirmation. I have just noticed that there is a problem with your drawing No. 1 (Site Plan) in that it is not based on the correct layout as it shows a second parking space. Please provide this drawing again as based on the approved plan (attached)

Kind Regards
