Dear Mr Hopper,

The current amended plans do not confirm that the ground floor flat is to be 1 x 2b 3p, the first floor flat a 1 x 1b 1p and the second floor flat is to be 1 x 1b 1p. Please can you confirm this to be the case. The internal space standards have been applied based on the flats being as aforementioned.

Yours sincerely

Dear Nick,

It has just come to my attention that the amended plan as submitted does not include the floor plans and internal space standards plans. The floor plans are currently shown on plans that are not being approved due to the old parking scheme being shown.

As soon as additional or amended plan(s) are received I will upload them, amend the report accordingly and pass them forward to the Area Manager.

Yours sincerely

Richard Castro-Parker
