Dear Mrs Honney-Bayes

**SUBJECT: PLANNING REFERENCE BR/304/11 – ADDITIONAL
INFORMATION REQUEST**

With regard to your letter dated 12 December and referring to the above case reference, please find attached some of the additional information as requested. Specifically this is:

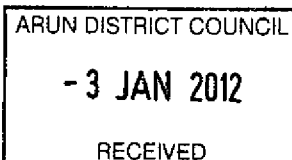

- Flood risk assessment (two parts)
- Design and access statement
- Validation list

Your request for the proposed use for the development is identified in the application form as residential. The site layout plan demonstrates the distinct indicative development zones, their use and potential access for the site, whilst the elevations demonstrate the matter of scale. They shall follow in the post as part of a package incorporating the following:

- Fee: £335.00
- Three paper copies of location plan – P01
- Three paper copies of a block/site plan – P02
- Three copies of elevations indicating height and scale parameters of the buildings on the
