MR R.E. & SE. CHISNALL,
28 MANSTFIELD ROAD,
BOGNOR REGIS.

DEAR RICHARD,
As you know we strongly object to the
Dormer Windows proposed at 30 Manstfield Road.
The Dormer will be an eye sore and the
mass and bulk of it would be cosmetically
over powering and overlooking the side and
property.
If in the future we want to sell our
property we feel this will devalue our home.
We may need the value of our home
as financial support for care in our
old age.
I have read the correspondence on the
website and on the 12th December it appears
that you ~~are~~ going to approve the plans!
We are very disappointed that our views
and feelings are not enough to stop the Dormer.
Would you please send me in writing the
legislation of Q.E.D. involving Dormer
Windows with fixed shut obscured glass.
I have contacted the Bognor Town Council
which you wanted me to notify you of this
I will attempt to speak with Mr Perry
when he is at the property but this
seems to be a large thing.

IF OUR CONCERNS ARE NOT CONSIDERED
IMPORTANT ENOUGH WE WILL BE SEEKING
FURTHER ADVICE.

Yours sincerely
