Subject: Noise from site

Dear Maria

I hope you are well and keeping safe.

The noise from the site is unbearable.

Spitting and coughing from workmen who are using local shops etc in a lockdown.

We are experiencing yet again noise from butlins even when it's supposed to be closed. We strongly and wholeheartedly object to any stage and also any more additional parking which in turn will

create more noise poution from the site. We object to any stage out door entertainment kiosk or building. Noise travels by the coast via the winds Which are strong here in West Sussex. We could hear the sea from our house. But butlins are stopping this with the pools and also now a potential stage area and more loud music and screaming and singing and general awful noise. Cars doors banging tannoys. Its enough.

It's not far to make the site any more of a Nuisance that it is already to surrounding long standing residents who have seen the changes.

We are livid. We are trying to retain our mental health without this Additional and also selfish worry from butlins. No more noise!

Lockdown means lockdown. No more outdoor entertainment! The pool is bad bad bad enough. The noise screaming shouting music tannoys is Absolutely driving us to depression and anxiety.

Please take this as a strong objection. We have had enough!

Kind regards

Sam Maycock
