Subject: RE: BR/307/20/PL - Butlins kiosk - CDC ECOLOGY COMMENTS

Dear Amy

I just wanted get back to you with comments regarding the above planning application. Whilst we do not have concerns regarding the application, due to the proximity of the site to the Lidsey Rife Biodiversity Opportunity Area we would like to see a bat sensitive lighting scheme implemented and also the inclusion of bat/sparrow boxes within/on the new structure.

Kind regards

Stephanie
