Subject: RE: BR/307/20/PL - new kiosk, Butlins, Bognor Regis and BR/292/20/PL stage - UPDATES

Dear Amy,

I have reviewed the document entitled 'Butlin's Resort, Bognor Regis: Method Statement and Management Plan to inform the processing of guest check-in at the resort' and I can state that the criteria detailed therein appears satisfactory to address potential adverse noise and air quality impacts resulting from queuing vehicles, on the residents occupying 52-62 Upper Bognor Road.

I do not feel that a noise level limit is necessary, any noise complaints received will be assessed as potential Statutory noise nuisance under the Environmental Protection Act 1990.

I therefore recommend that any permission granted is in accordance with the approved Management Plan. I would also request that the following informative note is attached to the permission:

Statutory Nuisance – Environmental Protection Act 1990

The granting of this planning permission does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990 be received.

For further information, please contact the Environmental Health Department on **01903 737555**.

Yours Sincerely
Craig
