

PROPOSED WORKS : Extensions and Alterations.

ADDRESS : 178 Aldwick Road, Bognor Regis,
West Sussex, PO21 2XQ.

1.0 Biodiversity Enhancement Statement

- 1.1 The development that the application seeks permission for, is for a front porch extension and single storey side and rear extension and conversion of the roof space with a new rear facing floor dormer extension and minor fenestration changes.
- 1.2 To show a biodiversity enhancement for the site, we propose the siting of a new bird box, fixed to the garage to attract nesting birds – similar to that shown below:-

Picture – Bird box fitted to wall.
