Hi Simon,

I'm happy for purely a "drainage should be constructed in accordance with x plans" condition to be applied. They have supplied sufficient data up front since my original consultation comments.

Thanks,

Hi Laura,

You originally asked for conditions ENGD2B, 4A, 5A and 6A.

Obviously I need to change new condition 2 (ENGD2B as was) to be in accordance with the agreed details. But which of the other new style conditions do I need?

Thanks

Kind Regards
