Simon,

Further to our discussion yesterday, the conditions are accepted, however, we would like to see Condition 7 revised as follows in order that it is more precise:

No development shall commence until a scheme has been submitted to and approved by the Local Planning Authority which specifies the provisions to be made for the control of noise emanating from the building. Thereafter, the building shall not be occupied unless and until the approved scheme has been fully implemented.

If it's possible to review a full list of suggested conditions at the appropriate time that would be very helpful.

Kind regards

Dear Jonathan,

I have just finished drafting the conditions and I need to agree the pre-commencement conditions with you. Please see attached copy of a letter just sent out to you. We are required to give you 10 days to agree these. However, I am sorry but this period does expire after the Committee agenda close. Therefore, if you are able to agree or comment by the end of this week, then we can still hit the 3rd June Committee. If not then there is an additional Committee Meeting on the 27th June which we could take this to.

Kind Regards
