BR/312/89 Conversion of house to 2-1 bed 75 Mead Lane

flats

Bognor Regis
West Sussex

REASON 1 : The conversion of established dwellinghouses in this locality to form flats would represent a form of development which would be out of keeping with the present character of the area and detrimental to the environment of neighbouring properties.

REASON 2 : Adequate provision cannot be made on the site for the parking of vehicles in a satisfactory manner to the standard required by the Local Planning Authority.

REASON 3 : If this proposal were permitted the Local Planning Authority would find it difficult to resist similar proposals in the vicinity, the cumulative effect of which would be to alter the character of the locality to the serious detriment of the amenities of the area.
