Simon,

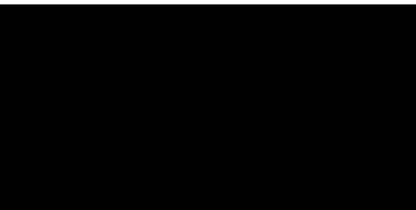

Thank you – I can confirm we agree to an extension of time for the determination of this application until Friday 2 March. The external render will be a conventional two coat sand cement render system – I will confirm the colour which is to be used.

Thanks,

Phil.

Dear Phil,

My Team Leader is now going to be writing this up. He asks if you can agree to an Extension of Time until the end of next week – 2nd March. Please confirm. He also asks whether you can specify the details of the painted render i.e. type and colour as then there would be one less condition to impose.

Kind Regards
