Mr Guile,

I can confirm that I have not received the UU as of yet. Apparently my colleague, Ms Burrows, spoke to Mrs Guile and she will chase up the UU.

I can confirm that the plans look fine!!

Again, thank you for meeting with me to clarify this application.

Hi Ian

Attached are the revised drawings (Existing and Proposed). You will see that I have added the end elevation in case they turn round and say they need these as well.

The are in pdf format with scale bars and north points so are ready to forward on to whoever you have been dealing with at the Council.

All the best

Derek

Hi Ian,

Good News.

Happy New Year. Will start on the B Regs (for the two new flats and the converted hairdressers). I assume the original two flats have already been sorted.

All the best

Derek

Derek

Planning all seems to be going ok, thank you for your works before Christmas.

Can you now put together the building regs package aiming to start works mid-end of February.

Many Thanks
