

BR/317/18/PL

Dear Sir,

I am writing to object very strongly to the proposed extension at 86 Annandale Avenue on the following grounds:

- 1) The parking outside the property is totally inadequate to cope with a property of multiple occupancy. Parking on the road outside is already very difficult and I often cannot find a space to park my car. Both the occupants of this property (84) are elderly and struggle to carry shopping for long distances along the road.
- 2) The generated photographs are misleading and the extended property would reduce the light into our garden and cause a loss of privacy. The development is therefore likely to cause friction between neighbours.
- 3) The above reduction of light and privacy is likely to devalue my own property.
- 4) The proposed extension is very large and not in keeping with other properties on the road.
