For the attention of Mrs. Honney-Bayes

Re: 206, London Road, Bognor Regis.

In response to your letter dated 1st February I am sure that I dealt with this matter through my e-mail on 16th January so I am disappointed that 15 days later this application still hasn't been registered given that I submitted the original application at Christmas and I always deal with any of your arising matters urgently as I am always open to criticism from my clients.

Following my conversation with Mrs. Johnson I submit a further three copies of amended plans for Planning approval as required.

Yours sincerely,

↓ I had asked him to continue in writing that I could red edge location plan, which he had not done. I am advised him to send in revised block plan.
