Dear Mr Moore,

I write to you regarding application Br/322/18/T – Corner of Sudley Gardens, Bognor Regis.

We have received the comments from the Tree Officer and as it stands your application is set to be refused.

The Tree Officer has however provided an advisory to these comments, they are as follows:

- I would like to see the applicant submit a revised specification seeking lesser work, such as detailed below, which would seem to address their client's concerns whilst preventing a diminution of the tree's landscape and public amenity value:
- Reduce back branches on west aspect to provide a maximum of 2metres clearance from the adjacent building.
- Crown lift on all aspects by removing carefully selected branches to achieve no more than 3metres clearance above ground level.
- Crown lift by removing carefully selected branches to achieve no more than 5.5metres clearance above carriageway (road surface).

If you wish for the application description to be revised to be in line with the Tree Officers comments then please confirm and I will issue an approval, please confirm this in writing by 12th April 2019.

I look forward to hearing from you.

Many Thanks

Charlotte Easton
Planning Officer
