Dear Simon

That's an unenviable caseload!

We can agree to the extension of time to 31 July 2018. I look forward to hearing from you once you have had a chance to consider the application.

Kind Regards

Richard

Dear Richard,

Thank you for your reply. I acknowledge that this is an old application and that your client is keen to avoid further delays. However, you must appreciate that I have a sizeable caseload already (70 applications, only recently down from 85) and many of my cases are already overdue and as old if not older than yours. I am under constant pressure from agents to deal with their applications. Furthermore, I have already blocked out the next 3 weeks to catch up with old overdue cases of my own. I also have pre-booked holidays coming up. Therefore, I would be grateful for the extension.

Kind Regards

Dear Simon

Thank you for your message.

This application was validated in February. We would be grateful if its determination could now be prioritised and an extension of time avoided.

Best wishes

Richard

Dear Mr Dollamore,

Due to officer absence, this application has just been reallocated to me. I have already have a large caseload and a number of existing overdue applications and I need to try and fit this application into my situation. It would be enormously helpful if you could agree an extension of time until the end of July (31/07/18). I am hoping to review the file next week and will relay any concerns to you after I have done so.

Kind Regards
