Dear Simon

Thank you for your message of 3rd August. The attached drawing shows 1800mm high metal Heras protective fencing to protect the roots during construction and hope that this is considered sufficient to address the tree comments.

We can agree to the extension to the 3rd September.

Best wishes

Richard

Dear Richard,

I am unsure if you saw my email below reference the latest tree comments?

I have also had further Highways comments as received yesterday which confirm no objection.

The current decision date expired on Tuesday 31st. Can we agree an additional amount of time please. I should not need more than a month from now so the 3rd of September.

Kind Regards

Simon J Davis MRTPI | Principal Planning Officer, Planning Department, Directorate of Place, Arun District Council |
