Dear Simon

Further to our chat I know that you appreciate the pressures that the long determination period has put the applicant under and I also understand that you have been put in a difficult position of dealing with a heavy workload. We can agree to an extension of time to 12th September but would be grateful if this could be considered a firm deadline.

Best wishes

Richard

Dear Richard,

I have now been able to visit the site and I am going to be writing this one up for approval. I appreciate that we have an EoT until the 3rd September but my calendar until then is already full with other commitments. I have identified a free day on the 10th September and I wonder could you agree to an EoT of the Wednesday of that week (12th September).

Kind Regards

Dear Simon

Thank you for your message of 3rd August. The attached drawing shows 1800mm high metal Heras protective fencing to protect the roots during construction and hope that this is considered sufficient to address the tree comments.

We can agree to the extension to the 3rd September.

Best wishes

Richard

Dear Richard,

I am unsure if you saw my email below reference the latest tree comments?

I have also had further Highways comments as received yesterday which confirm no objection.

The current decision date expired on Tuesday 31st. Can we agree an additional amount of time please. I should not need more than a month from now so the 3rd of September.

Kind Regards
