Dear Sheila,

I can confirm that in principle the Council would have no objection and would fully support the proposals. I would ask that final position of the blue plaque is agreed ahead of completion.

Yours sincerely

Paul

Subject: Blue Plaque Location Permission

Dear Paul,

As mentioned in to you earlier, as part of the Heritage Trail being commissioned by the Bognor Regis Heritage Partnership Board, it is intended to incorporate a blue plaque trail within the main framework.

The board have agreed to provide 10 new plaques to honour and remember those who have been associated with the town and have made a positive contribution.

Some of the preferred locations for 5 of the plaques are on ADC property and I am writing on behalf of the board to seek your permission, as property the owner, to enquire if you would be happy for us to install the plaques in the relevant locations as follows:

WILLIAM FLETCHER – Known as Lord of Aldwick Manor, owned land now Marine Park Gardens – the board would like to erect a plaque on the wall by seating area

KING GEORGE VI – Convalesced in Bognor and bestowed the title Regis – 90 year anniversary next year would like to erect plaque on front of Town Hall

WILLIAM TATE – builder of the Arcade – plaque on entrance to Arcade

MARTIN VENABLES – renowned naturalist and geologist. Fellow of Geology of Sussex. His work was fossils on the beach lived in a private house near the Rock Gardens – would like plaque on prom wall

~~CHARLES VOYSEY – Architect and designer of the Town Hall would like to erect plaque on front of Town Hall~~

I appreciate that some of these building will require listed building consent but in order for the Board to apply for this owners permission would be required.

Can you please advise if you are happy for the plaques to be erected in these locations.

Of course any installation will be undertaken by Town Force who will carry out the required H&S and Risk Assessment procedures

Regards

Sheila
