Good afternoon Amy,

Thank you for your message.

Yes we agree to the further EOT until 01-04-20. Though, we are aiming to resolve all this before then.

I did forward the CEMP previously, so I will resend to you when I return to the office. Are you sure you have not received it?

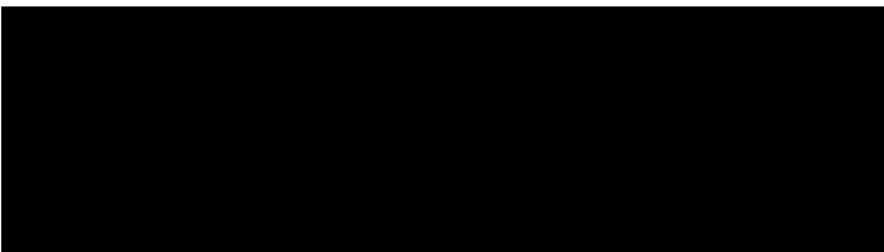

Regarding the additional drainage information, this is in hand with Southern Water and the information will be processed to you as soon as possible. I have just spoken to Chris Slade of CGS Civils and he is dealing with this. I will telephone you shortly to confirm you have received this message.

Best wishes,

Michael.

Michael,

The current EOT is due to expire tomorrow.

I will have to decide/refuse the current DOC application unless you **confirm by return of email to me today that you agree to a further Extension of Time.**

I would suggest a further 3 weeks, **until 1st April 2020.**

But what is happening with the further information??

- I *still* have not received the CMP – please send ASAP so I can forward onto WSCC Highways to review.
- And I've received no updates with regard the extra drainage information (when I should be copied into all emails to our Drainage Officer)

Please email me back today to update otherwise I'll have to issue the decision tomorrow.

Thanks
Amy
