Dear Mr BISH,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref BR/324/17/PL relating to Condition No 3 - surface water drainage, 4 - Pre-commencement site meeting with Tree Officer, 5 - Construction Management Plan, 6 - existing public sewer and 7 - foul sewerage disposal.

283-285A Chichester Road Bognor Regis PO21 5AH

Notification regarding the above application:

Condition Number 7

Development shall not commence until details of the proposed means of foul sewerage disposal has been submitted to and approved in writing by, the Local Planning Authority in consultation with the sewerage undertaker. The development shall be carried out in accordance with the approved scheme and timetable.

Reason: To ensure that the proposed development has a satisfactory means of disposing of foul sewerage in accordance with policies W DM1 and W DM3 of the Arun Local Plan. It is considered necessary for this to be a pre-commencement condition because it would not be possible to implement a foul drainage scheme once development had been completed.

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**
The discharge of this condition is refused for the following reason:

Insufficient information and failure to submit acceptable details of the proposed means of foul sewerage disposal.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
