Dear Mr. Davis

Thank you for your email, I can confirm agreement to the description for the proposals you have suggested.

As discussed in our telephone last Friday the drawings 5 & 6 have been further modified to retain existing trees on the site boundary & I am enclosing copies of these for substitution in the application. To avoid any possible confusion I would ask that drawings 5A & 6A are destroyed.

Many thanks for your assistance with this matter.

Kind regards

Tony Dutton

Dear Mr Dutton,

Ok I will get the plans changed and send an extension of time request separately. However, first can you confirm agreement to the following new description:

"Extension to existing Dotcom facility with new adjacent secure compound consisting of 2.4m Paladin type fence and steel gates to accommodate Dotcom overnight van parking plus minor changes to the car park layout"

Kind Regards

Dear Mr. Davis

Thank you for your telephone call this morning. I have checked with our client & can confirm that they are happy to extend the decision date, to allow the revised drawings to be substituted & considered with the current application.
