Hi Andrew

Apologises for the delay in responding, I would provide the following comments:

Private Sector Housing

Fire Safety

- Appropriate fire precaution facilities and equipment must be provided of such type, number and location as are considered necessary. Guidance on fire safety is contained in the LACORS guidance document – "Housing – Fire Safety, Guidance on fire safety precautions for certain types of existing housing"

Room Sizes

- Room sizes should meet the minimum standards for houses in multiple occupation if the flats are intended to be rented.

General

- Must meet the requirements of the Housing Act 2004 and be free of Category 1 and significant Category 2 Hazards;

Regards

Louise

Hi Louise,

I am just trying to clear this one out of the system. I note there was an EH response to an identical built form in BR/20/16/PL.

Thank you,

Andrew Wood
