Afternoon Phil.

Hope you are well!

In regard to the above application we had hoped it was going to the April committee, however, due to an admin error the committee agenda did not pick this up and with the absence of May committee we invite you to agree to an extension of this to 6th June as the next open agenda is June 5th 2019.

I apologise the inconvenient this may cause.

All the best

Phil,

Further to our telephone conversation some weeks ago we had discussed the above application and I believe I had suggested that due to its appearance at committee we would need to look at and extension of time to its determination.

The next committee is the 10th April, with a recommendation for approval. An extension of time to the 12th April would be recommended and we await your confirmation on this.

Thanks
