Hi Richard

Is this what was Smugglers Paradise?

As it was a restaurant and if the buildings aren't physically joined I can't see any immediate issues if the unit is adequately sound insulated.

Best Wishes
Sarah

Hi Sarah,

Would you like to make any comments on the above application?

The application is only to convert the workshop to a single dwelling but the main part of the site has current permission as a bar/restaurant. They are not physically joined.

I'd be grateful if you could get any comments to me, if you'd like to make any by Monday 30th March.

Regards,
