Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of existing single storey area from C2 (Residential Institution) to D1 (Non-Residential Institution) & erection of a single storey rear extension & new access ramp/steps.

15 Ellasdale Road Bognor Regis

Thank you for your internet representation made on 11th February 2019 which has been recorded as '**an objection**' with the comments as follows:

As a local resident which has lived in the area over the last nine years with the proposed plans will come more noise more disruption short term and long term.

There is no need for any more building work or changes, with a perfectly good entrance that fulfils all of the needs a side entrance is not needed. As they've all ready broken quite a lot of promises to the local neighbours ive already had to spend a considerable amount of money putting fencing up, for privacy and to try and reduce the noise level and also stop packages begin put into our garden.

When stonepiler was know as ravensthorpe i went round to complain once, it now an on going battle.

With a young child and the proposed building works is very close to his bedroom and my own, this will have a dramatic affect on him and the rest of my family! With more traffic passing through the area 24/7.

I think there money could be better spent to try and reduce to noise levels along with improving the privacy. Along with trying to co-exist better with your neighbours.
