Dear Tom,

I apologise for the delay in the determination of this application. Unfortunately, I was out of the office last week due to suffering a sinus infection and have only returned today. In my absence my work was not looked at and as such nothing has happened with this file.

I will be looking to complete the recommendation report today and passing it through to my team leader for sign off. As such, I would be grateful if you could provide written confirmation of your agreement to an extension of time until the 14th March 2018.

I apologise for the delay in the determination of this application but please do not hesitate to contact me should you wish to discuss.

Kind regards,
David Easton

Hi David,

S.73 application at Butlins Resort, Bognor Regis (ref. BR/331/17/PL)

When we last spoke you confirmed you had everything you needed to write this up for approval. A decision is due today and online the application still says 'undecided'.

Please can you confirm we're on course for planning permission being granted today?

Kind regards,
