Dear Mr Pardey,

Re: Conversion of St. Josephs and Beach Lodge Albert Road.

Thus far you have not kept to any of the conditions stated at your meeting in December 2016! Not to mention that Beach Lodge was not included in your plans at any point during the meeting.

I am tired of all my neighbours complaining to myself re the constant noise, filth, debris etc etc emerging from your building site, which, of course, is STILL not finished one month after the finishing date given by yourselves!

I have today been stopped once again in the street by some of the tenants of Albert Road complaining to myself re the excessive noise the occupants are making outside the front door of St. Josephs – Albert Road i.e. smoking, talking and laughing specifically at 2.00-3.00am in the morning!

Words fail me!! This was the biggest concern I broached at the meeting in December 2016, and I was assured that there would be a caretaker onsite at all times in order to stop any noise whatsoever. Whether it be from the inside or the outside of the building. This included car noise, of which I was assured there would be none due to the fact that the occupants would not be allowed to use their cars i.e they would be walking to and from Butlins.

I assume that at present there are only a small number of occupants in St. Josephs, and already they are causing further problems. I have explained to my neighbours that neither yourself nor the ADC listen to observations, suggestions or complaints. However, I promised them that once again I would write, and complain albeit a waste of time.

The enclosed note I placed in an envelope, and posted through the front door of St. Josephs. I have no doubt it will be ignored! As was your promise of further meetings re the construction work etc etc. Nothing ever materialised, of course, we all know why.

Yours sincerely,

P.T.O.

THE OCCUPANTS
ST. JOSEPHS
ALBERT ROAD
BOGNOR REGIS

PLEASE WOULD YOU CEASE SMOKING AND TALKING OUTSIDE THE
FRONT DOOR LEADING ONTO ALBERT ROAD – ESPECIALLY AT 2.00AM
IN THE MORNING!

YOU ARE DISTURBING THE TENANTS IN THE HOUSES ACROSS THE
ROAD AT ALL HOURS.

THANK YOU
