Subject: BR/34/21/PDH Clarification

Hi Nicola

Thank you for your email. Apologies for my error on the application regarding the point below:

For clarity please confirm the proposed height and height of eaves as on the application form it says 4m for both, but on the floor plan it says flat roof not to exceed 3m.

The plan is the correct figure, the flat roof will not exceed 3m.

Kind regards
Dave
