Dear Mr Storey,

I have no concerns with Application BR/38/18/PL.

I note that no one has raised any objection to application BR/53/18/PL and therefore I consider it likely that this will also be approved.

However, it is going to be some time before I am able to determine these applications as I 85 applications to contend with right now and several of these are more overdue. I have scheduled some time in my calendar to do the reports on the 9th May.

Kind Regards

Good morning Mr. Davis

I would be grateful if you could provide an update on the above applications as both are now past their decision dates.

Best regards
