Dear Neil and Simon,

I am writing about the above planning application for 104 student flats above Wilko's in London Road, Bognor Regis.

I want to lodge my strong objection to the application. It is significant over development and out of character in the center of the town.

I would also like to request that this application goes to the committee and not be taken under delegated authority. Although the previous application was passed, it only did so with the casting vote of the then chair of development control.

The application remains very contentious with local residents.

Yours sincerely

Francis Oppler
