Dear Charlotte,

I have my phone off this week due to Committee agenda but I saw that you'd called.

There are no consultation comments requiring responses and so I plan to recommend approval with similar conditions to before. We do have a local Cllr request that this be heard at Ctte due to it being passed on the Chairmans casting vote last time and I am awaiting advice from the Ctte Chair & VC as to whether they agree (I have made the point that it is the same application as before and we have no objections).

I notice that I haven't yet instructed Legal on the s106 so will do that next week. Hopefully it doesn't take too long as it will be a copy of the previous but it does mean that we won't be able to determine by 17/05.

Kind Regards
